

Food Traceability Rule Panel

February 21, 2024

1. What are your initial thoughts on the new Food Traceability Rule?

2. What have you done to prepare for the changes?

3. Do you plan to implement changes even if your commodity is not currently on the Food Traceability List (FTL)?

4. How would you want the Food Traceability Rule implemented and who do you think would be best to enforce this new rule?
